Re: Annual Reports

Dear Mr. Braxton:

Attached please find 1987 annual reports for the mines referenced below:

<u>Mine No.</u>	<u>Mine Name</u>
M/015/026	Sahara Mine
M/017/018	Straight Creek Mine
M/037/038	Repete Mine
M/037/015	Hillside Mine
M/037/021	Wood Mine
M/037/028	MiVida Mine

Sahara, Repete, Wood and MiVida Mines are shut down, awaiting improved uranium mining activity. No mining activity at these mines is expected during 1988.

The Straight Creek Mine was reclaimed during 1987. Reclamation of the Hillside Mine is projected for 1988, subject to the uranium market staying at or above its present level. Limited maintenance work is planned at the Sahara Mine during 1988.

If you have any questions regarding these annual reports, please contact me.

Sincerely,

William J. Almas
Environmental Coordinator
